

**FIRST BAPTIST CHURCH OF PLYMOUTH
SPECIAL CHURCH COUNCIL**

Sunday, July 2, 2017

The meeting was convened following worship and fellowship time for the purpose of new business.

Ted Durley indicated that the parsonage computer phone line will not be in use for some time and suggested looking into discontinuing this line for expense purposes. All were in favor of discontinuing the computer phone line but keeping the main phone line as long as the church would be obtaining a better price for service.

Ted also indicated that the parsonage oil tank was recently filled and the invoice was sent to Pastor Emeritus Chris Drew. All were in agreement that the invoice should be given to the Treasurer.

There being no further business, the meeting adjourned.

Respectfully submitted,

Lynn Fairchild
Secretary
